FEBRUARY

Martha Hall 22nd
Theris Coats II 25th

It's hard to believe it's been four years since we started the "Single Ladies Oil Change Program." It began on February 16, 2008. We have enjoyed a high level of support from the congregation, for which I thank you all. We have seen a tremendous amount of appreciation expressed from the ladies involved.

This program is intended to satisfy the need of single women who are intimidated at the thought of going into a commercial establishment for routine vehicle maintenance. Three times a year (February, June, October), we provide a free oil and filter change, a free safety inspection, and free advice on vehicle maintenance and repair. The ladies, while waiting for their car, enjoy participating in fellowship, games and crafts. We provide breakfast for the workers before we start and lunch for the workers and ladies at noon.

We currently have eleven church members performing the work, and ten ladies receiving benefits from the program.

This also provides a wonderful opportunity for those (male or female) that might want to learn the basics of vehicle maintenance. Put some old clothes on and come on down, we'll help you get your hands dirty.

Happy Anniversary!
